

# EXCITING CHANGES

## COMING SOON!

### The Market by Clark Bakery is opening

This new retail venue features locally roasted Voltage Coffee, fresh Clark Bakery breads & pastries, Which Wich and lots more.

*Located on the northwest corner of Eagle Landing (between the BLB and Highland St. Parking Garage), it's just a 3-minute walk from The Union.*

### Which Wich is moving to The Market by Clark Bakery

Our hours of operation will look a little different during the transition.

### The Corner Store is closing

But don't worry!  
Your favorite items are available throughout campus, including Verde Everyday Express, The Campus Chat Food Court (Union Level 2) and The Market by Clark Bakery.

### Scrappy's Ice Cream is leveling up

Soon you'll be able to visit Verde Everyday Express on Level 2 of the Union for 16 flavors of hand-dipped ice cream, shakes and more.

### Chick-fil-A is expanding

We're bringing you a brand new Chick-fil-A on Level 1 of the Union, with faster service and seating options.

*But then....  
What will happen to the Chick-fil-A on Level 2?  
Stay tuned for more updates!*

### Thanks for your flexibility as we work to improve your dining experience on campus.
